Plaintiff Wright Motion To Object To The Honor-
able Charles S. Coody Order Passed Down June
13, 2006

I Richard Wayne Wright, Jr., Plaintiff Pro.se., Files this objection to the (Chief United States Magistrate Judge) the Honorable Charles S. Coody "order on Motion" which Judge Coody states the Clerk erroneously accepted and Filed a motion to submit other evidence or erroneously accepted and Filed a motion to submit other evidence or exhibits From the plaintiff (Court Doc No. 179). Plaintiff Wright mailed and this Honorable Court received plaintiff motion "Motion For Permission to proceed in litigating" original date May 23, 2006, which this Honorable Court Filed said document on

May 25, 2006 (Court Doc. No. 176). This honorable Court Granted plaintiff Motion and ordered an extension to and including June 12, 2006 to File any additional response or evidentiary material in opposition to the defendants special reports, passed down on May 31, 2006 (Court Doc. No 177). The Honorable Court ordered Plaintiff Submitted evidence, be Stricken From the File and returned to plaintiff For non-Compliance with order enter on May 19, 2006. (See Court Doc. No. 180 and 181). Plaintiff does not know why(?) the Court was grant permission (Court Doc. No 177) and then it was made void in the manner as described herein. Plaintiff had so honestly explained to the Honorable Charles S. Coady [his] inability to submit the needed document / exhibits due to (he) not having the necessary postage stamps to mail a reasonable amount at the exhibits. Plaintiff Family manage to send him stamps unfortunately they did not help plaintiff, as intended, due to the Honorable Charles S. Coady "Order On Motion" passed down on June 13, 2006 (Court Doc No. 180 and 181), and the these exhibits being

Stricken From the File and sent back to plaintiff Wright. Plaintiff submitted objection unto this Honorable Court these document were also return. Plaintiff Wright had included documents among these papers a plea For this Honorable Court to send a representative to see plaintiff Con- dition and hear his statement (ver- balized) as to the present danger plaintiff Wright is Faced with, but as stated earlier these documents were return as well and plaintiff life remains at jeopardy, while Faced with many of these defendants acts to intimidate [him] and Coercion. Plaintiff had only one opportunity to used (the) prison resource on June 6, 2006 of inmate's legal mail service which postage is to be supply by [said] prison official, but this usage obvious was made void as well.

Lastly, plaintiff Wright makes another plea to this Honorable Court to send a representative due to plaintiff absent of an attorney and restrictions of this Honorable Court concerning plaintiff Forbided other documents without permission and
